Recording:

1. The Applicant shall be responsible for any additional payment greater than the initial fee for any and all recording fees at the Carroll County Registry of Deeds, and shall submit check(s) payable to same (with specific amounts as set by the Register of Deeds, as may be amended), prior to the Town recording any plans and/or documents

Additional Costs

1. The Applicant shall be responsible for other costs for special impact studies in reviewing any application, as limited in Section 4.08 of the Development Regulations. The applicant shall submit payment to the town to be held in escrow for these studies prior to any work commencing on said studies.
2. No application will be reviewed by the Planning Board until all required fees have been paid, or funds escrowed, including the Planning Consultant’s fees.
3. Initial Minimum Planning Consultant deposit to be placed in an escrow account, designated for that application, to be used by the Planning Board for paying for independent consulting services to review the application. When the balance in this account is drawn down by 75% and the application remains ongoing, the Land Use Department shall notify the Applicant and require the account to be replenished to the original amount, or greater amount if determined necessary by the Planning Board. Any balance in the account remaining after a final decision on the application by the Planning Board shall be returned to the Applicant.
